

GreenClean Boat Soap™

The newest addition to TRAC Ecological's line of eco-friendly and cost effective maintenance products is GreenClean Boat Soap™.

Safe, non-toxic, non-corrosive and 100% biodegradable in under 28 days, GreenClean Boat Soap is an efficient, concentrated solution (just one capfuls per gallon of water) that is tough on dirt, very effective on all boat surfaces and leaves no residue - without the use of harsh chemicals.

Fragrance-free GreenClean Boat Soap is non-butyl based and contains no phosphates, dyes or chlorinated ingredients.

BENEFITS

- **The Environment first!!** 100% biodegradable. Breaks down within hours, not years! Non-toxic.
- **Concentrated!** One cap full makes one gallon of boat show.
- **A safer boat soap!! DOES NOT** contain any petroleum products, phosphates, chlorinated solvents or toxic butyl cello solve.
- **Free rinsing!!** Leaves no residue.
- **Versatile!!** Rapid removal of oils, greases, grime, soap scum, mildew stains, sludge bottoms, fats, synthetic lubes, preservative coatings, rubber tire marks, inks, pigments, and much more!
