

SEWAGE TREATMENT UNITS

MODEL	Price USD
ECOMAR 6 with siphon kit, 24 VDC/230VAC/400VAC., 607 gpd	12,000.00
ECOMAR 8 with siphon kit, 24 VDC/230VAC/400VAC, 1188 gpd	12,625.00
ECOMAR 16 with siphon kit, 230/400 V., 1584 gpd	16,500.00
ECOMAR 24 with siphon kit, 230/400 V., 2640 gpd	21,000.00
ECOMAR 50 with siphon kit, 400 V., 5544 gpd	28,500.00

other voltages available on request

ACCESSORIES

Article Code	Description	Price USD
MV44-24V	Macerating filling pump for ECOMAR 6 and 8, 24VDC	2,000.00
221PMTF0752351	Macerating filling pump for ECOMAR 6 and 8, 230V/50Hz/1phase	2,375.00
221PMTF0754053	Macerating filling pump for ECOMAR 6 and 8, 400V/50Hz/3phase	2,375.00
221PM00S422351	Macerating filling pump S42 in bronze with stainless steel rotor for ECOMAR 16, 24 and 50, 230V/50Hz/1phase	2,625.00
221PM00S424053	Macerating filling pump in bronze S42 with stainless steel rotor for ECOMAR 16/24/50, 400V/50Hz/3phase	2,625.00
211PBBCM202351	Sea water pump in bronze with stainless steel shaft for ECOMAR 6/8/16, 230V/50Hz/1phase	687.50
211PBBC20E4053	Sea water pump in bronze with stainless steel shaft for ECOMAR 6/8/16, 400V/50Hz/3phase	687.50
211PBBC22E4053	Sea water pump in bronze with stainless steel shaft for ECOMAR 24/50, 230V/50Hz/1phase & 400V/50Hz/3phase	687.50
221CE0000SOLV	Control box for level sensor	456.25
221SO253X10000	Level sensor for sewage collecting tank (<1 mt)	247.00
221SO253X20000	Level sensor for sewage collecting tank (<2 mt)	306.25
012CD020150000	Remote control CD MAR 2 (cable <15 mt.; for >15mt. ask for quotation)	619.00
022PC000020000	PC link with software (cable max. 15 mt.; for >15mt. ask for quotation)	200.00
012CE040414423	Electric panel with transformer 400-415-440V/230V	950.00

Terms: V.A.T. excluded - Delivery term: EXW Marsala - Delivery time: 15-20 working days - Warranty (limited):
 1 year - Payment: wire transfer at p.o. acknowledgement - Packaging: included - Installation: excluded
